Persons willfully making false statements on this form can be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. Secs. 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. Sec. 1001.
The Americans with Disabilities Act, the Individuals with Disabilities Education Act and the Rehabilitation Act may impose obligations on entities to make the services purchased with these discounts accessible to and usable by people with disabilities.

NOTICE TO INDIVIDUALS: Section 54.504 of the Federal Communication Commission's rules requires all schools and libraries ordering services that are eligible for and seeking universal service discounts to file this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator. 47 C.F.R. § 54.504. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.504. All schools and libraries planning to order services eligible for universal service discounts must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation of potential violation of a FCC statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government, is a party of a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the federal government, the taxpayer identification number (such as your social security number) and other information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide this information to these agencies through the matching of computer records when authorized.

With the exception of your social security number, if you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

The foregoing Notice is required by the Privacy Act of 1974, Pub. L. No. 93-579, December 31, 1974, 5 U.S.C. § 552, and the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, D.C. 20554.

Dedicated onsite resources to support the functioning of local area network and connectivity among buildings including maintenance and repair of hardware and operational software systems for the term of the Agreement. The technical support resources will be assigned tasks by the district that will include, but is not limited to: User calls relating to internal connections technical support of hardware (hubs, routers, switches, servers), operational software technical support, configuration and test for end to end connectivity, documentation for eligible equipment, service, installation and technical support.

B) Internal Connections Hardware Maintenance:

Technical **Support**

Attachment #TS

Vendor: **IBM** Corporation

IBM Global Services' contract with Ysleta ISD is a Technical Support maintenance solution that supplements Ysleta Independent School District's IT organization by taking on the operational technical support tasks. IBM will provide the technicians and processes to keep Ysleta ISD in peak performance mode with minimal down time. Dedicated on-site IBM provided technicians will support the functioning of local area network, wide area network, and connectivity among buildings including technical support and repair of hardware and operational software systems. The technical support resources will resolve user calls relating to internal connections technical support of hardware (hubs, routers, switches, and servers), operational software technical support, configuration and test for end-to-end connectivity, documentation for eligible equipment, servers, installation, and technical support.

IBM will provide network maintenance support to Ysleta ISD, a District that has some 37,500 students, 1570 classrooms, and 44 buildings and over 5000 computers. Technical Support cost for the District's large network can be illustrated in the following manner.

A) Network Technical **Support**:

At Ysleta Independent School District we recognize that we must maintain a high level of support with the technical support we are providing. Included in our technical support services are the following:

The Technical Support Office (TSO) will:

- Provide support Monday - Friday, 8:00-5:00, 52 weeks per year
- Provide tracking and logging of problems during working hours
- Prioritize problems calls and dispatched support
- Develop and maintain Technical Support Office operational procedures including, but not limited to, call prioritization guidelines and escalation procedures
- Initiate a Problem Management Record (PMR) to document service outages. A PMR may include information such as date and time opened, description of symptoms, problem assignment (Level 1/Level 2), problem status, and final resolution
- Interface with and coordinate problem determination and resolution with Ysleta ISD's appropriate support personnel and third party services providers
- Perform periodic problem reviews for root cause analysis and, in conjunction with
